A black and white photograph of a landscape. In the foreground, there is a dense field of tall grass or reeds. In the middle ground, a body of water, possibly a lake or a wide river, stretches across the frame. In the background, there are rolling hills under a cloudy sky. A tree branch with leaves is visible in the upper right corner, partially obscuring the sky.

February 10, 1965

Board of Trustees
Hartland School District
Hartland, Maine

Gentlemen:

In accordance with Title 30, Section 5253, Revised Statutes of 1964, and at your request, the records of the Hartland School District have been audited for the year January 1, 1964, to December 31, 1964, inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances, and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the School District appear to have been appropriately handled.

Exhibits and schedules incorporated in this report present the financial position of the School District at December 31, 1964, and the result of its operations for the year then ended.

All of which is respectfully submitted.

Very truly yours,

R. A. JAMIESON

JOHN T. SINGER

SUPERINTENDENT OF SCHOOLS' REPORT

+ + +

Hartland, Maine

February 1, 1965

To the Superintending School Committee and the Citizens of the Town of Hartland.

During my brief tenure as your Supt. of Schools, I have endeavored to become familiar with the strengths, weaknesses, and problems present in the Consolidated School.

One of the most perplexing problems has been securing and retention of teachers. We have experienced no fewer than eight changes in our staff since last year.

Presently the faculty, with their grade assignment and number of students, includes:

| | JP | 1 | 1-2 | 2 | 2-3 | 3 | 4 | 4-5 | 5-6 | 6 | 7 | 8 |
|------------------------|----|---|-----|----|-----|----|----|-----|-----|----|----|-----|
| Jennie Burns | | | | 29 | | | | | | | | |
| Helen Littlefield | | | | 25 | | | | | | | | |
| Dorothy Chase | | | | | 20 | | | | | | | |
| Ethelyn Bowman | | | | | 22 | | | | | | | |
| Thera Finnemore | | | | | | 23 | | | | | | |
| Mildred Weeks | | | | | | | 19 | | | | | |
| Elizabeth Russell | | | | | | | 25 | | | | | |
| Ronald Spiegel | | | | | | | | 24 | | | | |
| Alta Andrews | | | | | | | | | 24 | | | |
| Doris Emery | | | | | | | | | | 26 | | |
| Eleanor Norton | | | | | | | | | | | 26 | |
| Charles Wing | | | | | | | | | | | | 24 |
| Eugene Morrison, Prin. | | | | | | | | | | | | |
| Total | | | | | | | | | | | | 287 |

The transportation of students has proven to be expensive and involved. Repairs on the 1954 G.M.C. have been extensive. The noon run for sub-primary students is being handled by Mr. Simoneau.

The combination grades must be continued as the number of students in each grade affected remain too large (or small) to occupy a single classroom.

Remedial reading classes have been held to a minimum because of the utilization of this teacher in the developmental reading program in grades 6-7-8.

A new English textbook series has been purchased for grades three through grade eight. This new series should lend a unified and progressive approach to the task of imparting the basics of our language to the students.

Directions will be given to a comprehensive testing program for the students in grades 3 through grade 8.

I wish to thank the members of the Hartland School District who have been most cooperative in maintaining the building and equipment under their supervision.

I would also like to express my appreciation to the Principal, teachers, custodian, bus drivers, hot lunch workers, and School Committee members who have given dedicated service to the Community.

Respectfully submitted,

OMAR P. NORTON

Supt. of Schools

AUDITOR'S REPORT

+ + +

February 10, 1965

Board of Selectmen

Hartland, Maine

Gentlemen:

In accordance with Title 30, Section 5253, Revised Statutes of 1964 and at your request, the records of the Town of Hartland have been audited for the period February 1, 1964 to January 31, 1965, inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the town appear to have been appropriately handled with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the financial position of the town at January 31, 1965, and the result of its operations for the year then ended.

Recommendations are also offered which are considered to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,
R. A. JAMIESON
JOHN F. SINGER
Jamieson & Singer

TOWN OF HARTLAND

February 1, 1964 to January 31, 1965

An audit has been completed of the books and records of the Town of Hartland for the year ended January 31, 1965.

The records maintained by the Selectmen, Tax Collector, Assessors, Town Clerk and Treasurer were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were reviewed or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at January 31, 1965, and the result of its operations for the year then ended.

The cash balance of \$12,343.35 was reconciled as follows:

| | |
|---|-------------|
| First National Bank, Pittsfield, Book No. 11341 | \$12,344.75 |
| First National Bank, Pittsfield, Checking Account | (1.40) |

| | |
|-------|-------------|
| Total | \$12,343.35 |
|-------|-------------|

The 1964 tax commitment was accounted for as follows:

| | |
|------------------------|--------------|
| Cash Collections | \$143,421.45 |
| Abatements | 350.53 |
| Taxes Receivable | 10,737.37 |
| Due from Tax Collector | 362.34 |

| | |
|-------|--------------|
| Total | \$154,871.69 |
|-------|--------------|

An analysis of the deposits with the Treasurer indicates that tax collections were deposited promptly by the Tax Collector with the Treasurer.

During the year, unpaid taxes assessed against real estate which totaled \$2,920.76 were secured by liens. All liens had been recorded and all paid liens had been discharged. Waivers had been obtained when partial payments were accepted. Unmatured tax liens totaled \$1,701.25 at the year end. Cash collections on tax liens totaled \$2,589.58 and matured liens of \$318.66 were transferred to tax acquired property. Sales of tax acquired property amounted to \$413.60 of which \$145.40 represented profit on sale.

LIABILITIES

Tax anticipation notes totaling \$107,009.61 were issued and paid during the year.

Notes totaling \$11,064.87 were retired during the year. No new notes were issued. At the year end, notes outstanding totaled \$8,195.76 compared with \$19,260.63 at the end of the previous year.

RESERVES AND SURPLUS

The cemetery water fund amounted to \$989.06 and was invested in a savings account in the First National Bank, Pittsfield. Interest earned amounted to \$38.26. The savings account was verified by examination of the bank passbook.

Unexpended balances in certain appropriation accounts carried forward to the ensuing year for expenditure amounted to \$10,145.58, an increase of \$3,366.20 over the balance carried at the end of the previous year.

As a result of the current year's operations, the unappropriated surplus was increased \$5,185.29 and totaled \$13,979.44 at the year end. At the annual town meeting, it was voted to transfer \$5,997.00 from surplus to pay Town Hall Furnace note.

TRUST FUNDS

The investments of the trust funds were verified by examination of the bank passbooks and physical inspection of the securities. All investments were found to comply with statutory requirements.

All income received appeared to have been properly recorded and expended in accordance with the terms of the bequests.

New trust funds totaling \$550.00 were accepted at the last town meeting and new funds totaling \$500.00 are being held pending acceptance at the 1965 town meeting.

GENERAL

Excise tax receipts totaling \$9,505.18 were verified by examination of the copies of receipts retained by the Tax Collector. The Tax Collectors overdeposited \$26.60 which amount has been set up as accounts payable. At the annual meeting it was voted to transfer \$1,160.76 of excise tax receipts to Commercial Street Sewer. The balance of \$8,297.74 was not appropriated and was credited directly to surplus.

The following corporate surety bonds were on file:

| | |
|---|----------|
| The Aetna Casualty & Surety Co., No. 77S1707 | \$15,000 |
| Thomas L. Stephenson, Town Manager, Treasurer & Tax Collector | |
| The Aetna Casualty & Surety Co., No. 77S1912 | \$15,000 |
| Claude E. Fisher, Town Manager, Treasurer & Tax Collector | |
| The Aetna Casualty & Surety Co., No. 77S1993 | \$4,800 |
| Arland V. Stedman, Snow Removal Bond | |

Supplemental taxes of \$590.05 were collected during the year. All had been committed to the Tax Collector.

A new Town Manager, Treasurer and Tax Collector was appointed in June, 1964, and prior years' taxes were recommitted to the new Tax Collector.

RECOMMENDATIONS

It is recommended that a trial balance be taken of the accounts in the ledger at the end of each month.

REPORT OF PUBLIC HEALTH NURSE

+ + +

MAINE DEPARTMENT OF HEALTH AND WELFARE

DIVISION OF PUBLIC HEALTH NURSING,
BUREAU OF HEALTH

Annual Report of Public Health Nursing Services in Hartland
for the year 1964

The public health nurse provides your community with a generalized nursing service. She is concerned with the promotion of health and the prevention of disease. In order to promote health and assist in preventing disease she supervises, guides and consels individuals and families in their homes, in the school, at child health conferences and at clinics, according to individual needs. She detects early symptoms of disease and disabilities and assts families in obtaining the necessary medical care and other supportive services that may be indicated. Under the medical supervision of the family physician she provides restorative and therapeutic nursing care.

Three child health conferences were held offering immunizations and physical examinations to all infant and preschool children. The following immunizations were given: diphtheria, tetanus and whooping cough — 12; polio — 15; and smallpox — 21.

During the spring tuberculin skin tests were given to 28 pupils in grades 1 and 7. The tests were given again in the fall to 53 pupils in the same grades. Hearing tests were given to 183 pupils. Home visits were made when indicated to discuss problems with parents.

Your public health nurse wishes to thank everyone who, in any way, helped to promote better living in your community.

Respectfully submitted,

KEITHA J. PRESTON,

Public Health Nurse
